Work Experience

DrivKraft Andrén AB

Founder

1994 - Today

Since 1994, I'm frequently hired as lecturer and educator on renewable energy through my own company DrivKraft, for both the private and the public sector. Some of my clients are The Swedish Energy Agency, IKEA, The Swedish Bio-Energy Association, Academy of Halmstad, Solar Energy Research Center, Swedish Homeowners National Association, Energy Agency West, Fortum and a lot of municipalities around Sweden and many, many more.
